

# PRACTICAL EXPERIENCE with a purpose

## INTERNSHIP/WORKING STUDENT JOB/THESIS (BACHELOR/MASTER)

Landpack is a pioneer in the field of sustainable packaging. We are committed to advancing a circular economy based on renewable residual raw materials. If you are currently studying, already have some practical experience, and sustainability is really important to you, then you've come to the right place. We are an established clean tech startup that develops and operates state-of-the-art facilities for the production of insulating packaging based on straw and hemp, proving that bio-economy works!

### WHAT YOU CAN EXPECT:

- **VERSATILE AND EXCITING TASKS:** Tailored to your strengths and interests.
- **A SUSTAINABLE AND INNOVATIVE PRODUCT**
- **REGULAR FEEDBACK:** Your personal development is important to us which is why we work with you to find suitable projects and tasks that you enjoy and that help you advance.
- **A MOTIVATED TEAM:** At Landpack everyone wants to make a difference.
- **MORE THAN JUST WORK:** Friendship and fun are an essential part of Landpack. We regularly end the workday with a round of table soccer, sometimes simply on the terrace or in front of the fireplace.
- **DYNAMIC WORK ENVIRONMENT**
- **FLAT HIERARCHIES** and short decision-making processes that leave you plenty of room for your own ideas and initiatives.

### WHAT YOU NEED FOR YOUR APPLICATION:

Sustainability and circular economy are your thing? We'd love to get to know you! You can find our current vacancies at [landpack.de/en/career](https://landpack.de/en/career), but we're also happy to receive speculative applications!

Send us the following details to [jobs@landpack.de](mailto:jobs@landpack.de):

- Your CV,
- previous work/study references,
- a short text describing who you are, why you are interested in an internship, working student position, or thesis at Landpack, which area appeals to you, and when you could start.

### WE LOOK FORWARD TO HEARING FROM YOU!
